

CLAIMS

1. A vehicle rear view mirror comprising a housing, a mirror lens and a location frame, said frame being adapted to carry said mirror lens and to locate within said housing.
2. A mirror as claimed in claim 1 in which said housing and said frame are releasably detachable.
3. A mirror as claimed in claim 2 in which said housing is provided with frame retainment means and said frame is provided with housing engagement means.
4. A mirror as claimed in claim 3 in which said frame retainment means comprises one or more catches and said housing engagement means comprises one or more abutments which co-operate with said catches.
5. A mirror as claimed in claim 4 in which said frame is a resilient snap fit in said housing.
6. A mirror as claimed in any of claims 1 to 5 in which said frame and said lens are releasably detachable.
7. A mirror as claimed in claim 6 in which said frame is provided with lens engagement means.
8. A mirror as claimed in claim 7 in which said lens engagement means comprises one or more abutments adapted to engage said lens.

-7-

9. A mirror as claimed in claim 8 in which said lens is a resilient snap fit in said frame.
10. A mirror as claimed in any of claims 1 to 9 in which said frame and/or said housing are made from a resilient synthetic plastics material.
11. A mirror as claimed in any of claims 1 to 10 in which said housing is provided with a rim portion within which said frame is located.
12. A mirror as claimed in any of claims 1 to 11 in which said housing comprises a casing adapted to cover the rear face of said lens.
13. A mirror as claimed in claim 12 in which said casing is provided with means to receive a mounting attached to said vehicle.
14. A mirror as claimed in claim 13 in which said lens is concave or convex or flat.
15. A mirror as claimed in claim 14 in which said lens is of the polycarbonate unbreakable type, or any other substrate on which a reflective surface may be deposited.
16. A mirror as claimed in claim 14 in which said lens is glass.
17. A mirror as claimed in any of claims 1 to 16 in which said frame is provided with slots at each corner to supply further resilience to said frame.
